Update on the Superintendent Search Process from the Argyle Board of Education

Beginning last fall, the Argyle Central School District's Board of Education began a search for a new Superintendent of Schools. The search has been a great opportunity for the Board to work alongside our staff, students, and community to find a leader who meets the needs of our district and community.

The search process began with an online survey, providing an opportunity for all stakeholders to provide input on the development of the candidate profile and the search brochure. In addition, the Board distributed an invitation to stakeholder groups to participate in the interview process for semi-finalist candidates. The Board is most appreciative of the 26 individuals who came forward to provide feedback and to participate in the interview process.

The Board of Education is pleased to announce the following finalists for the position of Superintendent of Schools for the Argyle Central School District. Each finalist will tour the district, make a presentation to the public, and participate in a final interview with the Board of Education.

The public is invited to see each candidate's presentation and provide written feedback to the Board based on the presentation. Presentations will be held on Monday, March 20, 2023 and Tuesday, March 21, 2023, each beginning at 3:30 pm in the Old Cafeteria.

- Monday, March 20, 2023: James Bennefield - Mr. Bennefield currently serves as the High School Principal for the Hudson Falls Central School District.
- Tuesday, March 21, 2023: Jennie Mueller - Ms. Mueller currently serves as the PreK-6 Principal for the Greenwich Central School District.

The Board of Education anticipates making a final determination shortly after the completion of the process. Once a decision is made the Board will update the entire community.
